

Schools Assemble for Superhero Week!

Autism NI's Superhero Week returned to local primary and nursery schools last week!

UCM Foundation music classes took part in this event, 2-8 February 2020, and raised £102. A big thank you!

Superhero Week involved completing five Superhero Tasks in order to receive their Superhero Status. Pupils raised sponsorship to support Autism NI's services whilst completing their Superhero Tasks.

Currently one in thirty school age children are diagnosed with autism in Northern Ireland and this number is steadily on the increase. Autism NI relies on community support to improve the lives autistic individuals and their families.
